Call to Action – Write your own letter to Pima County outlining your concerns

Here are simple, clear instructions to send an email or a hardcopy letter. A personal, 1–2 paragraph email in your own words is highly effective. It does not need to be long or technical.

---

1. Crucial Email Details

You must include the official Pima County case number in the following way:

- **Email Subject Line:** OPPOSITION — CASE NO. P26SP00002 — SKYLINE COUNTRY CLUB REZONING
- **Top of Email Text:** RE: PIMA COUNTY CASE NO. P26SP00002 — SKYLINE COUNTRY CLUB SPECIFIC PLAN REZONING — OPPOSITION

2. What to Write (Pick 1 or 2 Points)

State that you are a Skyline homeowner, object to the rezoning, and briefly mention your biggest concerns, such as:

- **Private Road Damage & Cost:** Construction trucks will degrade our privately owned and maintained roads, gatehouse, and infrastructure.
- **Traffic & Safety:** Narrow single-access roads (Mission Hill and St. Andrews) cannot safely handle heavy construction equipment and increased traffic.
- **Ravine & Slope Destruction:** Shaving the hillside and dumping massive backfill on a steep 28% slope risks severe monsoon runoff, erosion, and mudslides.
- **Neighborhood Character:** A multi-story, high-density complex is incompatible with our foothills community and destroys natural desert habitats.
- **Shadowing Effect and Noise Amplification for Mission Hills Residents:** This combination will permanently degrade the quality of life for local residents and disrupt the delicate ravine ecosystem.
- **Quality of Life:** Loss of natural ravine upper edge, extended construction blight, drilling vibrations and noise, construction traffic frequency and detrimental effects.

3. How to Close Your Email

End your message by asking Pima County to **deny the requested rezoning**, and include:

- Your full name
- Your Skyline Country Club Estates street address (critical to prove you are an affected homeowner)
- Your phone number or email address

4. Where to Send It (Email Both Addresses)

- **To:** Terri.Tillman@pima.gov (Principal Planner)
    - *Include this text:* "Please include my letter in the official case file and public record for Pima County Case No. P26SP00002 and provide it to the Planning & Zoning Commission."
- **To:** Rex.Scott@pima.gov (Our District 1 County Supervisor)
    - *Include this text:* "Please consider my opposition when Case No. P26SP00002 comes before the Board of Supervisors."

Please submit your email as soon as possible. Do not copy-paste a form letter; individual, sincere messages carry the most weight with county officials.

Thank you for protecting our neighborhood!
